

In recognition of our 200th Anniversary Christ Church plans to have a time capsule to be buried on November 2nd with Bishop Skirving present.

A plastic container has been set up in the Parish House for any parishioner to submit articles, documents, narratives, photos for consideration in the time capsule.

We want to include group photos for consideration, we ask that each of the groups here at church submit a photo (youth, choir, ECW, Altar Guild, acolytes Brotherhood of St. Andrews, etc along with a short paragraph about your ministry group)

Thanks for your cooperation.

Grafton Beaman for the 200th Anniversary Committee.
